## 2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

SONORA ELEMENTARY SCHOOL

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Sonora Elementary School Vision and Mission Statement:

Vision Statement:  
Educating and inspiring every student to achieve personal excellence.

## 2023-24 School Description and Mission Statement

### Mission Statement:

In a positive and safe environment, alongside families and community, honoring tradition, and fostering innovation, Sonora Elementary School District will:

- Promote successful, well-rounded students
- Cultivate perseverance and academic preparedness
- Attract, support and retain dynamic teachers and staff
- Create Accountable, Respectful, and Engaged members of society

Founded in 1855 during California's Gold Rush, Sonora School has always been at the heart of our town's culture and community. Located in the Sierra Nevada foothills, near Yosemite National Park, SES strives to build respect and appreciation for the natural world and our place in it. With a strong emphasis in the arts, science and technology, Sonora School has served as a model to schools across our region.

Since we are isolated from urban centers, effort is made to bring California's rich culture to our students. Field trips, vital sports programs, the Bobcat Band, assemblies, elective programs, art exhibits, guest artists, guest scientists, Young Author's Faire, special assemblies and Family Nights, Partners-In-Education programs all aim to help SES students realize their potential to succeed. Our current campus, which opened in 1974, neighbors the Tuolumne County Library, Adventist Health Center, Sonora Hills Retirement Community, and Tuolumne County Senior Citizen's Center. Thus our students have access to community involvement and support. Tuolumne County is very family-oriented with many activities for youth. Sonora School remains at the center of that community spirit with many generations of families having attended and worked at our school.

Sonora Elementary School has a wide spectrum of socio-economic diversity. Many parents are college-educated professionals or fully employed in service and product industry. 44.3% of our students population is socioeconomically disadvantaged, 4.6% are English Learners, and 0.7% Foster Youth.

Sonora Elementary serves students TK - 8 within the Sonora School District. Curriculum is focused on California State Content Standards. The school supports character development on a daily basis through consistent expectations for student behavior, its diverse literature selections, school assemblies, school activities and programs. We offer enrichment to students with art and music, with collaboration from the Tuolumne County Arts Council and a full time art and music teachers. The school promotes a positive school climate with the support of a full time school counselor. During the 2022-2023 school year, approximately 724 Transitional Kindergarten - 8th grade students were enrolled at Sonora Elementary School, with classes arranged on a traditional schedule and calendar. The educational program focuses on the development of reading, writing, spelling, mathematics, science, social studies, music, art, health education, various electives, and physical education, based on the California curriculum standards and frameworks.

Eligible students receive English language support, Title I reading and math, and GATE. For more information regarding these standards, visit the following websites:

State Frameworks: <http://www.cde.ca.gov/ci/cr/cf>

State Common Core Content Standards: <http://www.cde.ca.gov/re/cc>

Our staff is committed to teach and assess the state content standards while constantly searching for better methods, materials and ways of offering the best possible education for your children.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Sonora Elementary held a public hearing on October 8, 2023 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators.

## School Facility Conditions and Planned Improvements

Sonora Elementary was originally constructed in 1973 and is comprised of 47 classrooms, multipurpose room/cafeteria, library, staff lounge, and 3 playgrounds.

Cleaning Process: The District works daily with the maintenance department and custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review. Maintenance and Repair District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation out of the Deferred Maintenance budget. The district participates in the State School Deferred Maintenance Program, which provides matching funds to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

In 2010- 2011, the citizens of Sonora voted to approve a 7.8 million facilities bond. A portion of the bond was used used to improve school facilities and the safety of the students. In the summer of 2011, the school completed a \$1.8 million parking lot/entry way project as part of the bond projects. In August 2016, the district spent close to \$1 million of the bond funds to modernize the A and C buildings. In the summer of 2017 the "B" building was completely modernized and the roofs on the "A", "B", "C", "D" and "M" building were replaced. The HVAC units on the "A", "B", "C", "D" and "H" building were also replaced. Building F was rebuilt after a fire in 2014. In 2020 the district completed the process of building a two-story classroom building, which houses two kindergarten and 6 primary classrooms.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Sonora Elementary School is very fortunate to have parental involvement in a variety of school programs. The parent organization known as Support Sonora School (SSS) works collaboratively with school staff to provide volunteer and financial support for school programs. Information about SSS may be found at <http://www.supportsonoraschool.org>. The school has a strong base of parent volunteers who participate in a variety of ways at our school. Parents are also welcome to volunteer in their child's classroom, participate on school committees such as the School Site Council, Support Sonora School Parent Organization or the Citizen Oversight Committee, which oversees school bond expenditures. The school also benefits from several community partnerships (I.E., YES Partnership). Covid had a significant impact on parental engagement for the 2021-2022 school year.

## 2023-24 School Safety Plan

Safety of students and staff is a primary concern of Sonora Elementary. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed and updated by March 2022 by the School Site Council and may be viewed by appointment. All revisions were communicated to both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a monthly basis throughout the school year. Lockdown drills are held at least twice a year.

Students are supervised before and after school by certificated staff, classified staff, and/or school principal. Classified staff supervise students during lunch. Certificated staff and classified staff help with supervision during lunch and break periods. There is a designated area for student drop off and pick up. Visitors must sign in at the school office and volunteers receive a training program.

## Professional Development

Opportunities for training and staff development are provided at both the County Office of Education and at Sonora Elementary School site to administrators, teachers, and classified staff. Faculty meets throughout the month to discuss curriculum, teaching strategies, and methodologies. Additionally, the district provided certificated staff with two student free days to provide professional development and one day to prepare their classrooms at the beginning of the school year.

This table displays the number of school days dedicated to staff development and continuous improvement.
