School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2024-25 School Year

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Sonora Elementary School District plans to spend for 2024-25. It shows how much of the total is tied to planned actions and services in the LCAP.

The text description of the above chart is as follows: Sonora Elementary School District plans to spend \$10,930,241 for the 2024-25 school year. Of that amount, \$2,282,700 is tied to actions/services in the LCAP and \$8,647,541 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

General Fund Budget Expenditures for the school year not included in the Local Control and Accountability Plan (LCAP) are teacher salaries and benefits, supplies, services, and other expenditures not outlined to specifically serve high need students.

Increased or Improved Services for High Needs Students in the LCAP for the 2024-25 School Year

In 2024-25, Sonora Elementary School District is projecting it will receive \$641,364 based on the enrollment of foster youth, English learner, and low-income students. Sonora Elementary School District must describe how it intends to increase or improve services for high needs students in the LCAP. Sonora Elementary School District plans to spend \$1,391,200 towards meeting this requirement, as described in the LCAP.
