

BOBCAT BULLETIN

i-Ready at Home

Would you like academic support for your child at home? Think they would benefit from some additional work, to improve their academic achievement. Starting **September 23rd**, your 1st through 8th grade student can log into their personalized account on i-Ready and participate on MyPath at home. First, visit the SES Clever website:

<https://clever.com/in/sonora-bobcats>

- 1st and 2nd grade students must log in using their QR code (ask your child's teacher for their QR code)
- 3rd - 8th grade students can log in with their Google account. (The QR code for these students also works)

Once on Clever, click the i-Ready app to open i-Ready and go to MyPath. Using the First Diagnostic results, your student will receive targeted intervention, building their skills.

i-Ready has also hosts a 'Family Center', with more information and supports for parents.

TCSOS Project A.W.A.R.E.

Tuolumne County Schools created the Accessing Wellness and Resilience in Education (AWARE) program for our schools.

Representing this program, Liz and Leticia from Project AWARE will be working with our 4th-7th grade students once every 3 weeks, providing social-emotional learning lessons on Fridays.

7th grade students have been learning about three states of matter in science. The students enjoyed root beer floats to represent a solid, liquid, and gas. What a tasty way to experience science!

BOBCAT ATHLETICS

Continuing the history of excellence and preparing our athletes for competition at the high school level, we are excited to share our 6th-8th Grade Girls Basketball and Co-Ed Cross Country athletes have started practice in preparation for successful seasons. We will keep you up-to-date on their game schedules, so come on out and support our Bobcat student-athletes as they compete against other schools in our area.

Last week, we broke ground on our new gym, opening for the 2025-26 school year.

September is National Suicide Prevention Month
