## RED RIBBON WEEK 2024

Red Ribbon Week, celebrated from October 23rd to October 31st, is a campaign dedicated to promoting drug-free lifestyles among youth. This year's theme, "Life is a Movie, Film Drug Free," encourages students to envision their lives as a blockbuster filled with exciting possibilities, underscoring the importance of making healthy choices. By embracing this cinematic metaphor, participants are invited to take center stage in their own stories, rejecting drugs and showcasing the positive, empowered lives they can lead. Activities throughout the week aim to inspire creativity, foster community spirit, and reinforce the message that staying drug-free is not just a choice but a pathway to a brighter, healthier future.

## HALLOWEEN 2024

Dressing in a costume at school is optional on this day. We want this to continue to be a fun day for our kids, but we do have the following rules:

- No real or fake weapons.
- No costumes that cover the face.
- No face paint that covers a majority of the student's face.
- No costume that displays gore, blood, or violence.
- No costume that drastically disrupts the learning environment. This is still a school day and we expect learning to continue.
- All dress code rules will continue to apply.
