BOOK FAIR THIS WEEK!

The Scholastic Book Fair is scheduled for this week. This is a great opportunity for our students and families to purchase books and it truly encourages reading. Your student will love reading books they choose for themselves and it is a great option for gift ideas. You can also set up a Book Fair eWallet at www.scholastic.com/bf/sonoras. This is a digital payment account that allows your child to shop for books at the Fair without cash. You can share the eWallet link so friends and extended family can add funds. See you at the Book Fair.

Dates: **Tuesday, November 5th - Friday, November 8th**
Time: **8:30 am to 3:30 pm**

Location: **Sonora Elementary School Library**

We also need parent volunteer support, please reach out to Lacey Peterson at the following email address, lacey.peterson@supportsonoraschool.org.

G.A.T.E EXPERIENCE

Our G.A.T.E. (Gifted and Talented Education) students participated in a STEM activity, exploring air resistance and drag by designing parachutes to safely land spiders from the top of the play structure.

4TH GRADE EXPERIENCES

Our 4th grade got a tour of the County Library, sat for a story, received a library card application and played in the park. In addition, they participated in the Every Kid Outdoors activity. During this presentation with a Stanislaus National Forest Ranger,

students were presented on how to be prepared when you visit the forest, what you might see (animals, tracks, scat), and information about the Every Kid Outdoors Free Access Pass Program. Each student left with a Every Kid Outdoors Free Access Pass, allowing for free access to all Federal Public Lands that charge an admission fee (for example, Yosemite National Park)

START TIME

With the new start time of 8:00 am, we have noticed an increase in student tardies in the morning. Students arriving late to school not only affects their learning, but the learning of others. We appreciate your efforts in ensuring your student is on campus before 8:00 am and in the classroom at the start of the school day.

8TH GRADE AMA CHAMPS!

Our 8th grade girls solidified their spot as one of the best teams ever at SES, winning the AMA tournament in Calaveras County. Amazing players and even better character, we are very proud.

Also, congratulations to our 6th and 7th grade teams for placing 2nd in the same tournament. All-tourney was also represented well by SES:

6th Grade: **Tatum Sparks, Kinsley Wahlbrink**

7th Grade: **Lola Vieira**

8th Grade: **Audria Emerald, Haylei Flower, Audryna Vann**
