## HOUR OF CODE

The Hour of Code (12/9 - 12/15) is a worldwide movement that aims to introduce millions of students to computer science through one-hour coding activities. The aim of Hour of Code is to demystify coding and show that anyone can learn the basics, inspiring future interest in computer science. Want to participate at home, check out these websites:

## DINNER WITH A SCIENTIST

SES students and staff participated in the TCSOS Dinner with a Scientist event on December 4th. This event is a unique opportunity for students to get excited about a career in science. Teachers attend the event with a four-student team.

In the pictures here, Mrs. Gray and her 6th grade students enjoyed an evening with STEM professionals and participated in several hands-on presentations and activities.

## SSS MOVIE NIGHT

Thank you SSS for a fun event, bringing our school community together on Friday night. We enjoyed the The Polar Express on the big screen, with milk and cookies as the refreshments. What an awesome night!
