STATE CHAMPIONSHIP BOUND

Congratulations to **Sonora High** and **Summerville High** football for making it to the State Championship games this weekend. Being a champion does not happen overnight, it is years of hard work and development, stacking days. We are proud of our former Bobcats, mostly on the Sonora High roster, but even some on the Summerville High roster. We are proud to value our P.E. program and our Athletics here at SES and see the benefit of developing excellence as they move on to high school.
