## SCHOOL BUS TRANSPORTATION

When we return from Winter Break, we will be starting our new shared transportation model with Sonora High School, providing all of our families a more consistent transportation experience. We are excited to return to our four daily bus routes, as we have had for so many years. Please go to the following website, <https://sonorahigh.org/transportation-team>, to get information about the program, the bus route schedule and stop locations, and resources.

## RECOGNITION OF EXCELLENCE

In December, SES hosted multiple assemblies to recognize students with academic, character and attendance success in the 1st trimester. For 5th - 8th grade, students that achieved Honor Roll were invited to an exclusive event, with a showing of "Elf" and plenty of free goodies to celebrate their success. For all students with exceptional character were given a certificate for a free frosty and i-Ready success for Golden Paws. Students with exceptional attendance will be rewarded with a special pizza lunch. Here at SES, we know the importance of recognizing our students' success.

## STUDENT OF THE MONTH

We are pleased to announce **Laurel Ingalls** as our December Student of the Month. Laurel is truly an exceptional student, in the classroom, how she treats others, and in her athletic endeavors. Her favorite subject in school is history and she believes in working hard and not giving up. While being successful in her academics, she also stays busy competing in basketball and volleyball for Sonora El and participates in the Motherlode Fair, raising and showing goats since she was 9 years old. On to high school next year, she is looking forward to sports and the friendships. Her teachers describe her as kind, caring, compassionate, and a wonderful role model. Nice job, Laurel!

## WRESTLING CHAMPS!
