

BOBCAT BULLETIN

ACTIVE BODIES, ACTIVE MINDS

At Sonora Elementary, we are very fortunate to have two P.E. specialists in 4th through 8th Grade, Mrs. Alomia and Mr. Lanter, promoting physical health, well-being and lifelong active lifestyles.

Mrs. Alomia's 5th and 7th graders have been preparing for their the annual State Physical Fitness Test and each day is a new opportunity to do their best. Students in 4th-8th have also been playing hockey on the blacktop, working on team strategies, fair play, passing, stick handling and shooting.

Mr. Lanter's class participating in the volleyball unit, learning the rules and skills of the sport.

The Physical Education program at SES focuses on the students developing fundamental movement skills, building cardiovascular health, learning various sports and activities, understanding health concepts, and promoting cooperation and positive social interactions.

READ ACROSS AMERICA

Read Across America is a nationwide initiative that aims to promote a love for reading, primarily celebrated on March 2nd, Dr. Seuss' birthday. This year, we will participating March 3rd - 7th. Besides a celebration of reading, we will have a fun week of dress-up days!
