

BOBCAT BULLETIN

OPEN HOUSE 2025

Thank you all for coming out to Open House on Thursday, it was an incredibly attended event!

PARKING LOT

We hosted two events this week that exceeded our attendance expectations, which was greatly appreciated by all at SES. With the incredible attendance brings **parking lot issues**. We do allow for parents to park in the pick-up/drop-off lanes during these events, but when utilizing this area, please do not park in a lane past the cement curb. By doing so, you potentially will block access to our accessible parking spaces for others and block fire lane access, which is against the law. We will look for ways to structure event schedules to alleviate these issues.

MAY STUDENT OF THE MONTH

Sonora Elementary is very pleased to announce Kiera Jones as the May Student of the Month. Kiera has been a student at SES since K and when asked what her favorite part of the school day is, she stated working with Mrs. Webster's TK students as a teacher assistant. Kiera is a success due to the effort she brings every day, she is eager to participate and be engaged, and works hard in volunteer service hours for Sonora Elementary, ensuring amazing activities are held for our students. Kiera has represented our school in volleyball, and also has played softball, soccer, and enjoys playing pickleball. In her free time, she likes babysitting, gardening, and visiting Pincrest. Next year she is off to Sonora High and is looking forward to their health class offerings. Her teachers describe her as hard-working, kind, bright, caring, and encouraging of others. Nice job, Kiera!

FUN IN THE SUN

Picnic Day was a huge success, we are so glad parents could come out and enjoy a beautiful day on campus, eating lunch with their children on Friday.

BOBCATS ON THE PROWL

We had a few Bobcats run their way to success at the 12th Annual Luc's Run in Tuolumne on Saturday, May 17th.

Sophia Bernal, 2nd Grade, won 1st in the Female Division of the Kids Run

Caroline Hodson, 7th Grade, won the Overall Female Division in the 2 Mile Run.

Mr. Steve Weldon, a substitute teacher at SES, got 1st in his age group in the Male Division.
